Dear Aunt Mary

I thought I should write you long before this, but we have been repairing the house and I have made 40 yds of Carpet this with my knitting has kept me pretty busy. we have six in the family all the time, I think back of the big sack of socks you used to have for Uncle Joseph and I wonder how you got them all knit. I am purling a quilt too, I wonder if Sarah makes as many as ever, mother & father were very glad to hear from you by your letter to me, they did not know that you had any until last winter, Pa would have come down there, they live all alone and feel pretty lonely too, I don't get up

then very often, for I have so
many cares, and now I am
getting ready for the winter and
it takes a good deal first away
in the cellar to keep us all winter,
and we have to buy all we have,
Butter at 28 cts by the tub, Potatoes
10 cts per bush, Eggs 30 cts per doz. and
meat is very high, our house rent is
\$12.00 per month and no garden as
I am, have you got every thing ready
for winter, do you burn wood or
coal, do you raise your own vegetables
and have you chickens and eggs
to sell, prophets say it will be a
mild winter and I hope so for
I dread the cold, now I hope you
will write me all you are doing and
how you and Sarah are, and if
any thing happens this winter
that you want me to come down
don't be afraid to say so and I
will come, if either of you get sick
let me know, Sincerely Yours,
Alice Sophia Simrell,

your letter did not get mailed
yesterday so I will add a little
more, I had a letter from Ma
this morning saying Pa came
home from Church with a severe
pain in his lungs, she would
let me know if he got any worse,
we are going to have company
tomorrow. I am giving I ~~am~~
I would go up there. we are going
to have Chicken pie for dinner
for one thing what are you going
to have, I hope to hear from
you soon that you are well
